

ALPINUM INVESTMENT MANAGEMENT

PRESS RELEASE

MainFirst Affiliated Fund Managers S.A. is acting as the management company (AIFM) for the Alpinum SICAV SIF fund since January 2017. The latter is a Luxembourg Alternative Investment Fund managed by Alpinum Investment Management AG, Zurich.

Luxembourg, 03 February 2017 Since January 2017, MainFirst Affiliated Fund Managers S.A. acts as the Alternative Investment Fund Manager (AIFM) for the Luxembourg fund structure Alpinum SICAV SIF with currently eight subfunds and a volume of approximately 800 million USD. MainFirst, with its expertise particularly in the areas of risk management and compliance, is looking forward to contributing to the expansion of Alpinum's Alternative Investment business in Luxembourg.

Alpinum Investment Management AG is a spin-off of an internationally active asset manager and offers tailor-made portfolio solutions in traditional as well as alternative investment classes and an investment platform for fund managers. The head office is located in Zurich, looking to expand its business to Europe, which is why the regulatory requirements for this have been created. Alpinum Investment Management AG is regulated by the Swiss Financial Market Supervisory Authority (FINMA).

MainFirst Affiliated Fund Managers S.A. is an independent, proprietary management company incorporated in Luxembourg and licensed as Alternative Investment Fund Manager and UCITS IV compliant management company. The company provides comprehensive services for the issuance, administration and management of all types of investment funds and managed accounts. MainFirst Affiliated Fund Managers S.A. is regulated by the CSSF.
